

Manufacturing Industry Innovation in the AI Era – Semiconductor Forum

Date & Time

June 10, 2025 | 11:30 a.m. – 3:30 p.m.

Free of charge

Venue

Hotel Granvia Kyoto , 5th floor , Taketori room

In Kyoto, we are aiming to build a comprehensive semiconductor ecosystem, from material research to implementation. This event offers a unique opportunity to explore the technologies of Kyoto-based companies while enjoying lunch. Additionally, a talk session will be held to explore the latest trends in the semiconductor industry.

◆Talk Session

0:50 p.m. - 1:40 p.m.

Katsuaki Suganuma
*Professor Emeritus,
The University of Osaka*

Lode Lauwers
*Senior vice president of business
development and strategy, imec*

Yosuke Aragane
*Director of IOWN
Promotion Office,
NTT Corporation*

Jwu-Sheng Hu (胡竹生)
*Executive Vice President,
Industrial Technology
Research Institute (ITRI)*

Moderator

Akimasa Yamashita
Advisor, Kyoto Prefecture

The talk session discuss the theme of 'Advancement of the Semiconductor Industry' and will focus on securing and nurturing highly skilled professionals to respond to the expanding semiconductor industry.

◆Company exhibition

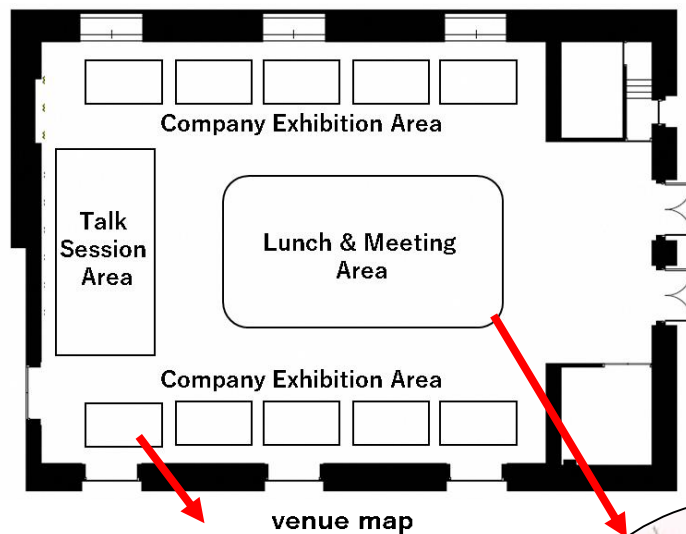

11:30 a.m. - 3:30p.m.

The company exhibition is a presentation of technology by semiconductor-related companies from Kyoto. (For details, please see the back.)

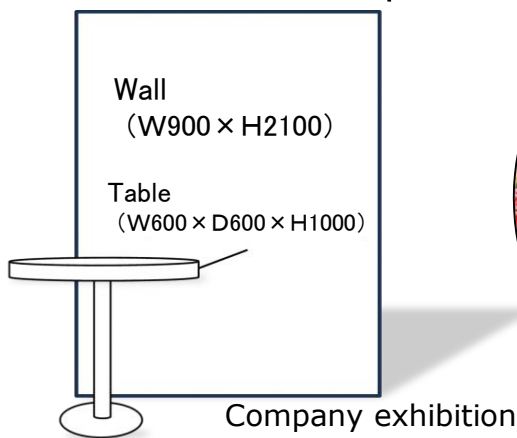

■ Company exhibition

11:30 a.m. - 3:30 p.m.
